

LOW SPEED VEHICLE (Golf Cart) Information Sheet

- Low Speed Vehicles are allowed on all streets on the Islands of Holden Beach, Ocean Isle Beach, Sunset Beach and Oak Island, Carolina Beach and Wrightsville Beach that have speed limits of 35 MPH or Less. Do not cross or approach the Holden Beach Bridge, Ocean Isle Bridge, Sunset Beach Bridge, Carolina Beach Bridge or the Oak Island Bridges.
- Key must be removed from the cart anytime the cart it is left unattended.
Missing or lost keys will result in \$25 charged to your credit card.
- Charger is "automatic" and will shut off automatically when the cart is fully charged.
The large grey end of charger plugs into the cart just below the driver's seat and will only fit one way. The power cord end requires 110v service with a recommended 20 amp circuit. It is your responsibility to ensure that receptacles with adequate power are available to charge the cart. At the conclusion of your rental period it is imperative that you leave the cart charging with a FULL CHARGE on the charger.
Failure to leave the cart on the charger with a FULL CHARGE upon the completion of your rental will result in \$50 charged to your credit card.
- Cart chargers need to be kept out of the weather and off of the beach at all times. It is recommended that the charger be left at the residence while operating the cart, if possible.
- All of our Electric Carts are equipped with a battery light meter indicating when the batteries are getting low. The light shifts from green to orange and then red, the cart will need to be plugged into the charger when you approach the red bars on the meter. It is recommended that the Cart be placed on the charger anytime it is not in use or at a minimum it should be charged every night regardless of the battery condition. This will insure you get the most out of the cart for the duration of your rental. Keep in mind, electric carts **cannot and are not designed to run continuously** without charging the batteries. Run times will and do vary and will be shortened if the cart is driven in loose sand or when carrying 4 or 6 passengers.
- **DO NOT OPERATE the Cart In The Surf.** Doing so will result in the loss of the use of the cart and your security deposit at a minimum, no exceptions!
- At no time should there be more than 4 (basic golf cart) or 6 (limo golf cart) passengers on the cart. Allowing more than 4 or 6 passengers on the cart will result in contract termination.
Damage and repair costs will be charged to your credit card.
- Do not make turns at high rates of speed. Slow down to turn or make corners.
- It is our goal to provide customers with reliable low speed vehicles by which we perform routine maintenance and battery discharge tests. This is to ensure you get the most use out of the cart with each charge. In the event a problem does arise we ask that you first check to ensure that all operating instructions are being followed, the charger has sufficient power and the charger is connected properly. Do not for any reason attempt to perform maintenance or repairs on the cart. If you are unable to resolve the problem, contact Coastal Golf Cart Rentals immediately and we will send out a mechanic as soon as possible. Should the problem result be substantiated and there is a loss of use during the agreed upon rental time, you will be refunded appropriately. Failure to notify us of a problem will result in **no refund** for that period of time we were not notified of the problem. **In the event we are requested to make a service call and it is determined that the problem is the result of improper operation of the cart or failure to properly connect the charging system a \$75.00 fee will be charged to your credit card.**
- Upon completion of the rental, the cart **should be washed off thoroughly**. Do not use a pressure washer, a water hose will be sufficient. Make sure that the charger does not get wet, and that the entire cart is rinsed, including the battery compartment and the undercarriage.
Failure to wash the cart at the completion of rental period will result in a \$25.00 cleaning fee that will be charged to your credit card.
- Our carts are inspected for damage at the point of delivery and pickup. **In the event the cart is damaged during the rental period, the repair cost will be charged to your credit card.**
- Coastal Golf Cart Rentals, LLC's Contact Number is **(910) 477-0716**. It is our intent to return missed calls within **2 hours of a voice mail notification**.
- **Only persons that are 21 years of age or older, possess a valid drivers license and insurance as required by the Binding Low Speed Vehicle Rental Agreement are allowed to drive the Low Speed Vehicle (Golf Cart).**
- **I further agree to notify Coastal Golf Cart Rentals, LLC by telephone (1) hour prior to departing the LSV Rental so that an inspection may be conducted by Coastal Golf Cart Rentals, LLC on the LSV to determine any damages that may have occurred during the rental period.**
